

Obituary

► **Ken Kramer, *Detriot-Mercy '58***
Deceased Date: August 30, 2008

Longtime Delta Sigma Phi Foundation Board Member Ken Kramer passed away on August 30, 2008 after a long battle with Pick's Disease, a degenerative brain disorder with symptoms similar to Alzheimer's.

Kramer became involved with the Delta Sig Foundation with the 1999 Centennial Campaign, as he served as the development committee chairman in Detroit, Michigan. He spent countless hours and dollars to help spread the word in one of Delta Sig's most populous cities.

Later, Kramer joined the Foundation Board upon which he served faithfully for a number of years. According to former Foundation and Fraternity Executive Director, Tony Smercina, "Ken and his assistant Marcie were extremely loyal and hard working on Delta Sigma Phi's behalf. We gained a lot from their involvement."
